THE 1964 BEACON

FISHER JUNIOR COLLEGE
118 BEACON STREET
BOSTON, MASSACHUSETTS

PRESIDENT'S MESSAGE

☪ Hearty congratulations to you in the completion of your two years at Fisher.

The educational road you have been required to travel has necessitated constant climbing on your part. The trail has not always been clear, and frequently you wondered whether it was really worth the effort. I might even go so far as to say that several have even considered giving up.

But, with patience and perseverance, you have now reached a point in your life where you can look back and look around you with genuine pride. You are not the same young woman you were two short years ago; you know much more. You sense your relationship in the scheme of life. You are qualified to contribute of your talents and resources in many important and needful ways.

A new fast-moving, ever-changing world is waiting for you. You will have to run to keep up. But with your preparation you should enjoy to the fullest the new days and years that lie ahead.

We at Fisher thank you for permitting us to have been a part of your life.

humbly we dedicate

TO HONOR

An excellent teacher

Who has been also an understanding friend,

One whose constant encouragement has inspired
us always to strive for perfection:

We of the Class of 1964 proudly dedicate

this BEACON

to Mrs. Marion Fritz.

EDITORS' MESSAGE

¶ We as editors of the 1964 BEACON have tried to present to you an honest look at your two years at Fisher and especially at your Senior year. As you glance through these pages years from now, we want you to see the rough times as well as the good times, for life is made up of joy and sadness, fun and hard work, disappointment and success.

We hope you will derive as much pleasure seeing your memories of Fisher on paper as we had putting them there. To the Faculty, deep appreciation; to the Seniors, a wish for the attainment of your highest goals.

Hail to you, our Alma Mater
Let our voices join in praise
To the school whose inspiration
Will direct us all our days.
As we stand before Life's portal
You have given us a key
To unlock the great world before us;
And to you we'll loyal be.

When the moment comes for parting
And we bid these halls good-bye
We will take with us forever
Thoughts of you that never die.
Alma Mater, as we leave you
We hold bright in memory
Our days at the college we cherish.
In our hearts you'll ever be.

STUDENT GOVERNMENT ASSOCIATION

☐ Every member of the student body belongs to the Student Government Association; but the power to run this government is delegated to the elected Student Council and the presidents of all clubs and organizations. The S.G.A. acts as a bridge between the administration, the faculty, and the student body to promote cooperation and understanding, to represent the interests of the students, and to assist in the observance of the traditions of the college.

An able and willing staff and a capable chief assure us that the fine reputation of the paper will always be maintained.

we work for the college.

SOCIAL COMMITTEE

☾ The Social Committee is a newly-founded organization at Fisher. The committee is headed by five capable senior girls whose job is to plan and organize all the social, cultural, and intellectual activities of the college.

Under the leadership of Mr. Albert Fisher and Mrs. Sylvia Hatch, the Social Committee has done a great deal for the students at Fisher.

Just as the dormitories provide a place for the resident girls to form lasting friendships, the Commuters' Club gives the commuting girls the same opportunities.

we have clubs

TALMUDIMS

NEWMAN CLUB

☪ The Fisher Newman Club is a member of the National Federation of Newman Clubs. Newman Clubs are formed in almost all of the non-Catholic colleges for the purpose of bringing Catholic men and women together to meet other members of the Catholic faith.

Under the guidance of Miss Elaine Chizook, faculty advisor, the club is growing and widening its scope to become one of Fisher's assets.

to express our own thoughts.

STUDENT CHRISTIAN

☐ The Student Christian Movement of New England is the mother organization of the Fisher Junior College Student Christian Association. The Association at Fisher has followed the dedication of the New England movement—"A fellowship of student and faculty groups committed to the will of God in building new individuals and a new society according to the growing insights and faith of the cooperating Christian groups"—by greatly enriching the lives of its members.

Under the guidance of Mr. Albert Fisher, the SCA hopes to continue to build the club and the characters of its individuals.

The Glee Club sang at many of the assemblies; and their selections, including show tunes, popular hits, and old favorites, were enjoyed by all.

by doing and learning.

DRAMA

☐ The Drama had another successful year under the guidance of Miss Elaine Chizook, faculty advisor.

The Drama Club gives those girls with acting ability a chance to express themselves. The girls have performed for the student body at the invitational seminars held in the President's office this year.

We hope that the Drama Club of future years will be as much fun and as much of a success as this year's drama club.

COLLEGIATE COUNCIL OF THE UNITED NATIONS

☐ The Collegiate Council for the United Nations is a national organization designed for the purpose of studying and supporting the United Nations. It strives to fulfill these goals by first, making each campus group a center for studying and understanding the United Nations; and second, by providing a place for the informed students to voice their opinions concerning the United Nations.

Through the C.C.U.N., the girls can gain a better understanding of the United Nations, how it affects their lives, and how they can help to support it.

to better understand ourselves and others.

WORLD UNIVERSITY SERVICE

☾ The World University Service is an international students-helping-students organization. Colleges and universities all over the world sponsor projects, the proceeds of which help another college or university on the other side of the world.

The students of the WUS organization in Fisher Junior College became interested in the needs in India from a talk by a WUS field representative who visited India, Miss Judith Nicholson. Her enthusiasm spread through Fisher, and the projects for '63-'64 have been widely supported.

To Miss Chizook we leave an adding machine with good judgment.

To Mr. Doress we leave some lubricant for his squeaky shoes.

To Mrs. Eldridge we leave a class of prospective lawyers.

To Mrs. Fisher we leave a humorous joke to tell.

To Mrs. Fritz we leave our multitude of unacceptable timed writings.

good luck and God Bless you all

When the books close and the last bell rings,
And carefree days are lost to mundane things—
When nostalgia strikes and your memory wanes—
And you remember the faces but not the names—
Pick up your yearbook and leaf it through,
And remember the days so dear to you.
